

Ezi-MT

Ezi-MT

MANUAL BIN TIPPER

The safe, cost effective bin tipping solution

Designed for low volume, light duty applications, the **Ezi-MT** is perfect for small businesses, schools, cafes, offices and local councils.

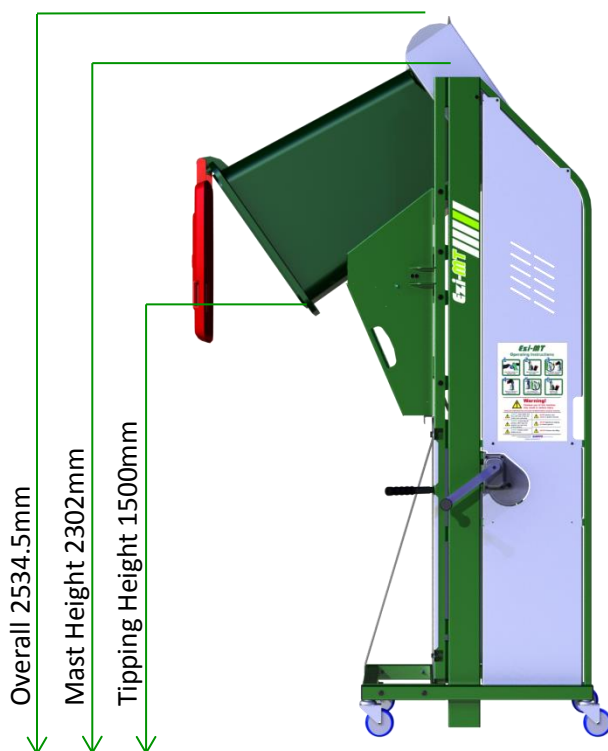

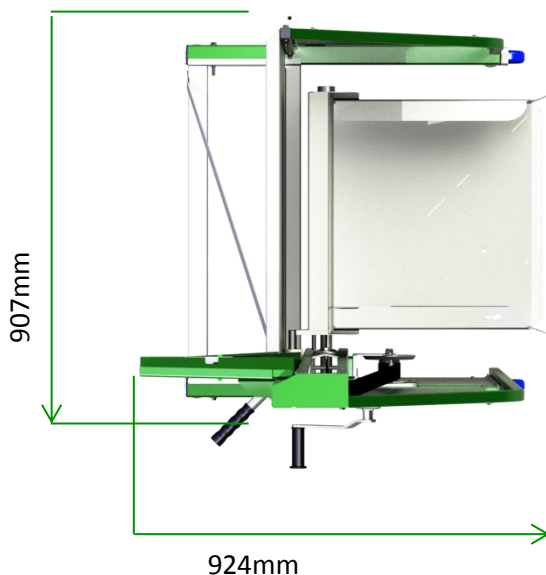

The economically priced **Ezi-MT** manual bin-tipper takes the strain out of emptying bins, and makes it a safe and easy operation.

With the reliable and economic **Ezi-MT** there is no longer an excuse, safety no longer costs - it pays!

Unique, safe tipping action keeps bin weight within footprint

Ezi-MT is yet another innovative bin tipping solution manufactured by **Simpro Handling Equipment** - the home of the **Dumpmaster** and **Multi-Tip** bin tippers.
